

EU-RRK V PROJECT FACT SHEET

Name of the Donor:	European Union Office in Kosovo (EUOK) and co-funded by the Ministry of Communities and Return (MCR)
Name of Programme:	EU Return and Reintegration in Kosovo project phase V (EU RRK V)
Number of families to be assisted:	Up to 400 families
Duration of the Action:	42 months
Status of Programme:	Starting date 10 of November 2017
Location:	<p>EU funds: Pejë Peć, Klinë Klina, Istog Istok, Obiliq Obilić, Fushë Kosovë/Kosovo Polje, Gracanicë/Gracanica, Novobërdë/Novo Brdo, Kamenicë/Kamenica, Štrpce/Shtërpçë, Prizren/Prizren, Rahovec/Orahovac municipalities of Kosovo</p> <p>MCR funds: All Kosovo municipalities are considered based on the need and their genuine interest in return of displaced persons</p>
Aim:	<p>This action will contribute to a stable multi-ethnic society in Kosovo by enabling sustainable livelihoods and the durable integration of displaced persons into Kosovo society, including Internally Displaced Persons (IDPs), Displaced Persons in the Region (DPRs) and refugees as defined by the Strategy for Communities and Return (2014-2018).</p> <p>Specifically this action will aim to increase the capacity of government actors at all levels and non-state actors to facilitate the dignified, sustainable return and reintegration of up to 400 families displaced in the region to Kosovo, including Roma Ashkali and Egyptian families currently in informal settlements and camps in the FYROM and Montenegro. Throughout the project design and implementation, specific attention shall be paid to the needs of RAE communities, with at least 40% of the beneficiaries coming from this minority group. A special approach will be used with RAE women who are among the most disadvantaged in Kosovo.</p>
Objective:	<p>OVERALL OBJECTIVE: To contribute to a stable multi-ethnic society in Kosovo by enabling sustainable livelihoods and the durable integration into Kosovo society for returnees, DPRs, IDPs and refugees who freely choose to return to Kosovo.</p> <p>SPECIFIC OBJECTIVE: To increase the capacity of government actors at all levels and non-state actors to facilitate the dignified, sustainable return and reintegration of up to 400 families displaced in the region to Kosovo, including RAE families currently in informal settlements and camps in the former Yugoslav Republic of Macedonia and Montenegro.</p>
Key Stakeholders:	Ministry of Communities and Returns (MCR), Municipal Officers for Communities and Returns (MOCR), Municipal Working Groups (MWGs), local and international organizations, United Nations' agencies.
Estimated Results:	<p>Result 1. Capacity of central and municipal authorities in policy implementation, coordination, management, and monitoring of voluntary return and reintegration issues and projects is enhanced;</p> <p>Result 2. The physical return of up to 400 displaced families, based on a free and well-informed decision, is facilitated through the construction and repair of family dwellings and related community infrastructure in return sites.</p> <p>Result 3. Sustainability of reintegration of returnee families improved through the provision of tailor-made socio-economic support, and enhanced access to civil status documents and government services.</p>
Target groups / final beneficiaries:	a) MCR staff b) Local government officials – particularly in MOCR c) Minority returnees (women, men, girls and boys)
Implementing Agency:	IOM (International Organization for Migration) mission in Kosovo
